To the city council of Copenhagen

Statement of Ungdomshuset supporters occupying the Danish consulate in Barcelona

We, as autonomous supporters of Ungdomshuset, have come together and are occupying the Danish consulate in Barcelona, in solidarity with all past, present and future actions in defense of Ungdomshuset.

A banner is currently deployed in front of the consulate, and information brochures are being distributed to the populace.

This message is to remind you of the huge international support for Ungdomshuset.

We are watching.

You gave this house to the youth of Copenhagen and it has been used to its full potential. You can not sell what is not yours.

You have shown no will to solve the problems you have created. Therefore you are responsible for the events on the 16th of December, and all the rest to come.

If the threat of eviction is not removed, all charges against demonstrators dropped and prisoners released, Faderhuset, Copenhagen City Council and Police force will never have peace.

We are not seeking dialogue, as all possible routes of negotiation within the framework you preach have been tried to no avail.

UNGDOMSHUSET BLIR!
